Boldly Innovative Products for Modern Custom Aircraft

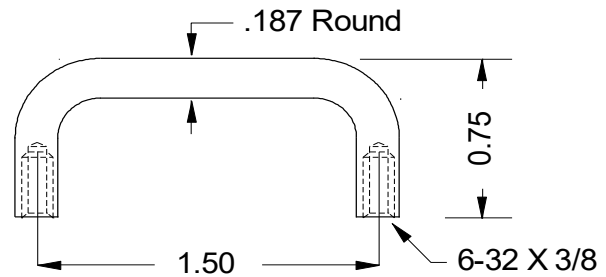

These are less common but still great to guard the rocker switches you don't want to rock by mistake, while providing oft-neglected hand stabilization. Height 3/4"; Mount on 1.5" centers with supplied 6-32 X 1/2" screws. Made of 3/16" round Aluminum alloy material.

P/n PDM028.

Rocker Switch Guards \$7.75/pair

1-10 pairs each	\$7.75
11-20 pairs	7.50
21-50 pairs	7.25
51-100 pairs	7.00
101-300 pairs	6.50
301-500 pairs	6.00
